

## How Can You Help?

- **Become a Friend!** Membership forms are available from the Library Staff at the Turtle Lake Public Library.
- **Make a donation!** Join our fundraising efforts by mailing a contribution in any amount to the Friends of the Turtle Lake Public Library. Donations may also be dropped off at the current library location during normal hours.
- **Volunteer!** We are always looking for new friends to help us during various fund raising activities. Share your time and help us reach our goal!

Build A  
Library of Tomorrow...  
**TODAY!**

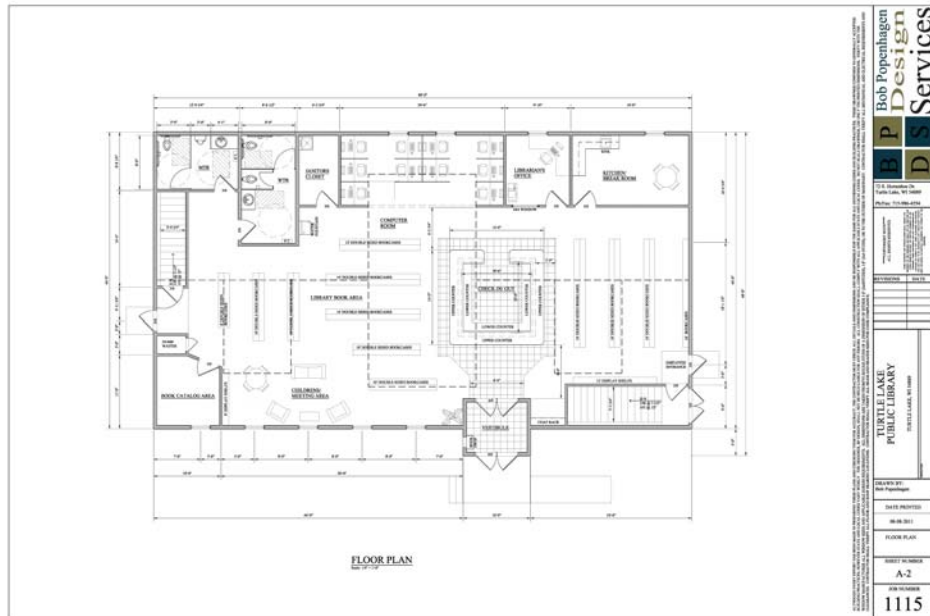

## Who We Are

The Friends of the Turtle Lake Public Library is a non-profit group dedicated to raising funds for a new building to house the Turtle Lake Public Library. Serving the communities of Turtle Lake, Clayton, Almena, Reeve and beyond, the current demand on services has far exceeded the present facility for several years. We are looking forward to continuing all of our unique activities, and more space for books and technology, in a brand new space!

## What Happens At TLPL

The Turtle Lake Public Library is a busy place, hosting events like Gamers Club, holiday themed events for children, and the occasional birthday party for Dr. Seuss! In addition to special events, the TLPL also serves as a place for writing groups to meet to work collaboratively. There are several computers available to patrons, allowing access to email, job searches, and more. Students of any age use the library to complete coursework. And of course, there is a wide selection of books, movies, magazines and more!

**Our New Building:  
 Space for All!**
